**MUFFIN:** I'm Muffin, Miss Muffin, Miss Muffin is my name.

And-par-ties-are-my...gammme...'cause I'm a party prop.

I'm a prop from a bak'ry shop.

Oh please...make me ov-er.

I need some...dis-guis-in'...and ac-ces-so...riz-in'.

Al-a...ka-zam-ka...zam...squirt whipped cream...and a dab of jammm.

Add the top...a round red knot...

I see you smile...now I'm dressed-up in style...

with my cher-ry...my top knot...I'm top notch.

I'll...be your party prop.

I'll...be your party prop.

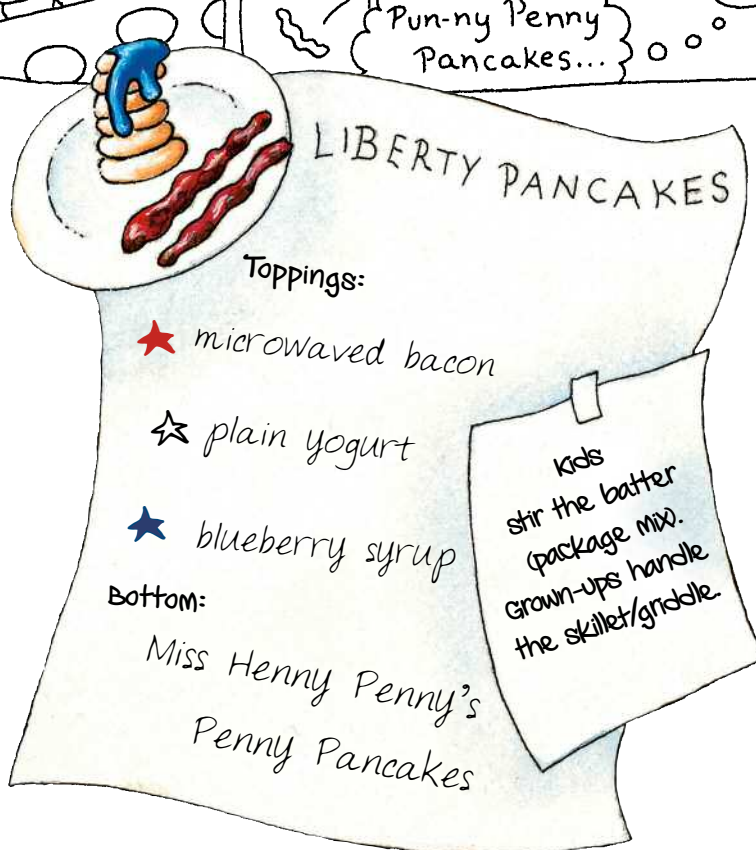

## **MUFFIN SPEAK:**

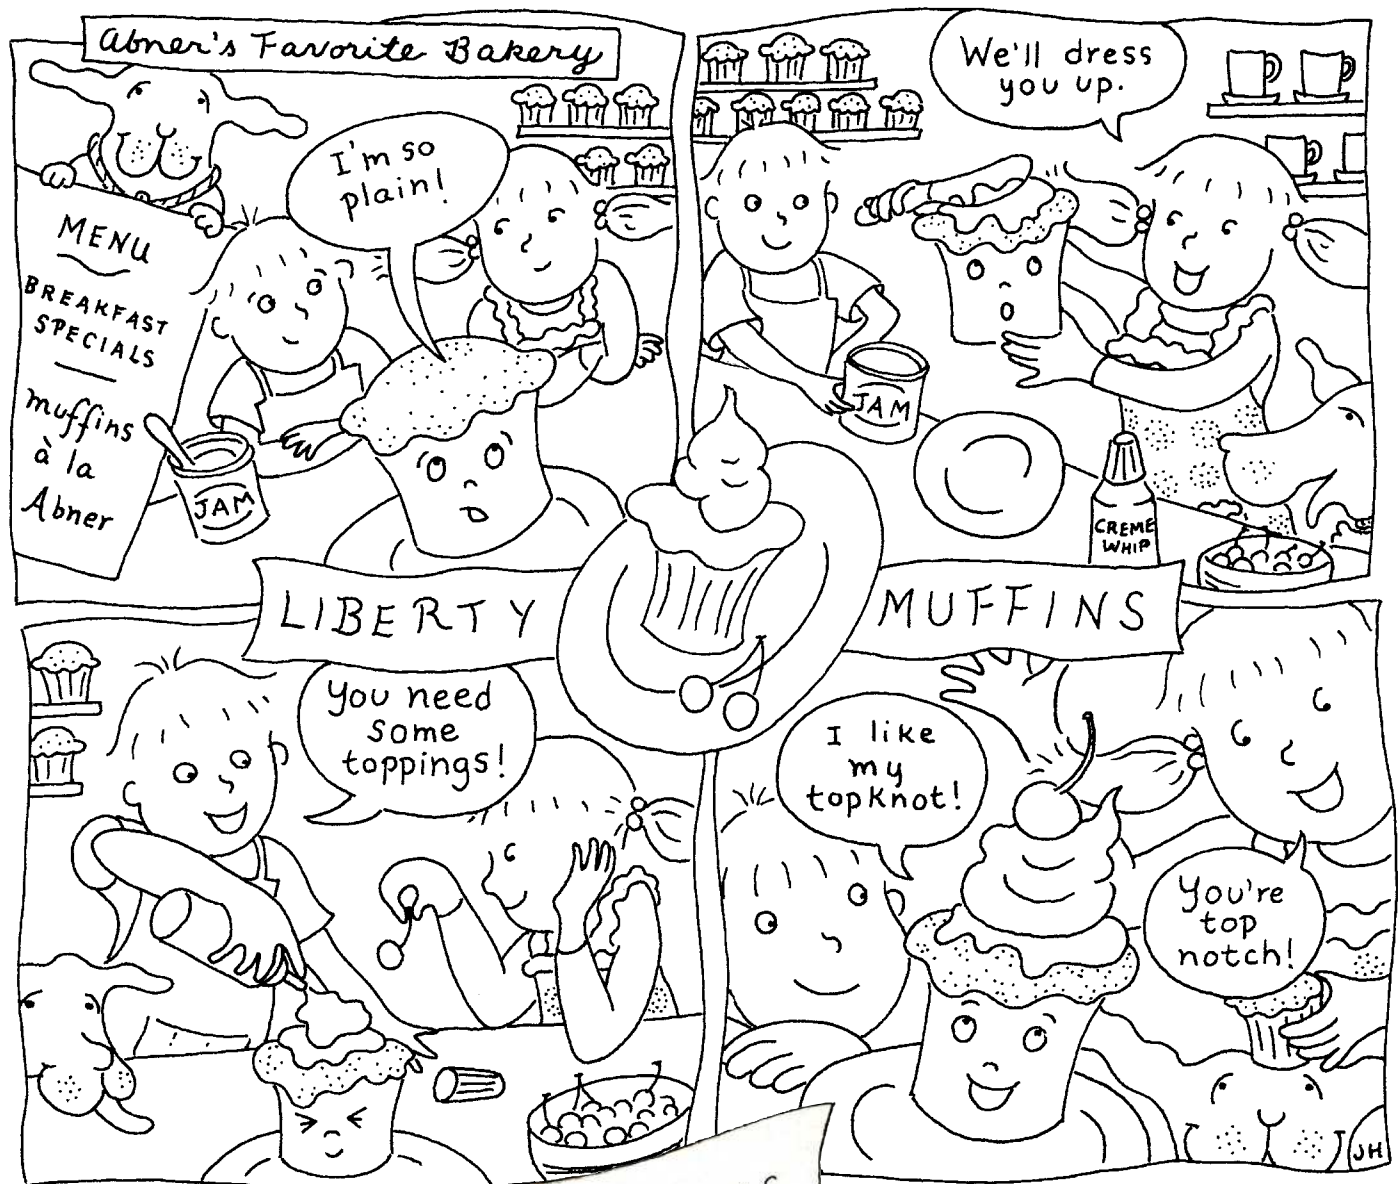

I was the plainest prop in the bakery shop. I dreamed of being chosen for a party. But being chosen for a decorating party was beyond my wildest dreams. Thank you for choosing me so that my wishes could come true.

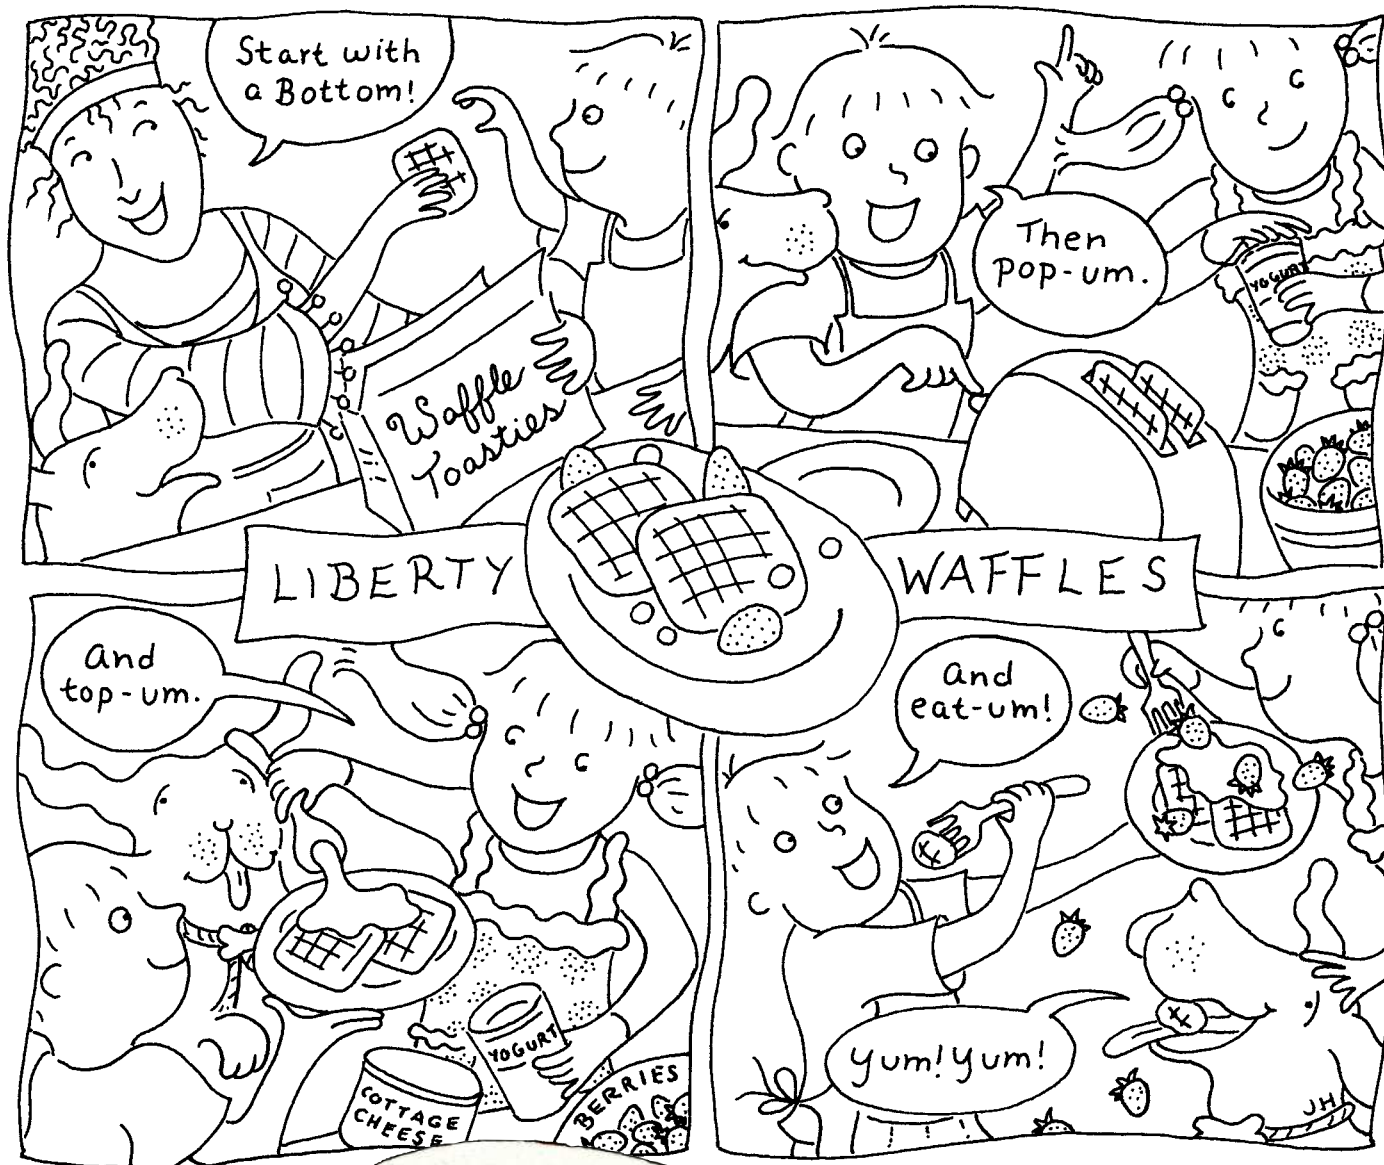

And...here's to your wishes, too.

Remember, muffins like to be top notch, like you!
